UNSPSC 30181504

The Premier drop in kitchen sink is made of durable 22-Gauge brushed stainless steel. The sink's two basins provide long-lasting use, and they are conveniently split for multitasking. Sound insulation reduces waste disposal and water noise to help keep your kitchen quiet while you work.

4-hole double bowl drop-in sink

22-Gauge stainless steel

2 sink bowls provide a conveniently split work space for multi-tasking

Brushed stainless steel finish

Sound-dampening pad reduces the noise of running water and the garbage disposal for a quieter kitchen

Includes: 10 clips and 10 machined screws to install a standard sink
